

Committee Meeting Program

Geo-Congress 2026

Location: Calvin L. Rampton Salt Palace Convention Center

Salt Lake City, Utah

Monday, March 9 – ALL MONDAY MEETINGS BY INVITATION ONLY

8:00 AM – 12:00 PM	Technical Coordination Committee.....	355B
1:00 – 5:00 PM	Technical Committee Chairs Workshop.....	355B

Tuesday, March 10

10:00 AM – 12:00 PM

Sustainability in Geotechnical Engineering	355B
Deep Foundations	355C
Geophysical Engineering.....	355D
International Activities Committee.....	355E
Rock Mechanics and Engineering	355F

11:00 AM – 12:00 PM

USUCGER: United States University Council on Geotechnical Education and Research	355A
---	------

1:00 PM – 2:00 PM

Professional Practice Committee	355A
---------------------------------------	------

1:00 PM – 3:00 PM

Geotechnics of Soil Erosion	355B
Computational Geotechnics	355C
Innovative Technologies & Tools in Geotechnical Engineering (INNC).....	355D
Pavements	355E
Shallow Foundations	355F

3:00 – 5:00 PM

Outreach and Engagement Committee	355A
Energy Geotechnics	355B
Risk Assessment and Management	355C
Geoenvironmental Engineering.....	355D
Earth Retaining Structures.....	355E
Soil Properties and Modeling.....	355F

Wednesday, March 11

10:00 AM – 12:00 PM

DIGGS	355A
Geosynthetics.....	355B
Grouting	355C
Unsaturated Soils	355E

1:00 PM – 3:00 PM

Local Involvement Committee (by invitation only)	355A
G-I Graduate Students Leadership council.....	355B
Underground Engineering	355E
Soil Improvement.....	355F

3:00 – 5:00 PM

Earthquake Engineering and Soil Dynamics	355B
Organizational Members Council.....	355D
Engineering Geology and Site Characterization....	355E
Embankments, Dams and Slopes.....	355F

7:00 – 9:00 PM

Younger Member Committee.....	355C
-------------------------------	------

Thursday, March 12

10:00 AM – 12:00 PM

Geo-Challenge Committee	355A
-------------------------------	------
