

## Committee Meeting Program

### Geo-Congress 2026

Location: Calvin L. Rampton Salt Palace Convention Center

Salt Lake City, Utah

#### Monday, March 9 – ALL MONDAY MEETINGS BY INVITATION ONLY

---

8:00 AM – 12:00 PM Technical Coordination Committee ..... 355B

1:00 – 5:00 PM Technical Committee Chairs Workshop ..... 355B

#### Tuesday, March 10

---

##### 10:00 AM – 12:00 PM

Sustainability in Geotechnical Engineering ..... 355B

Deep Foundations ..... 355C

Rock Mechanics ..... 355F

##### 1:00 PM – 3:00 PM

Geotechnics of Soil Erosion ..... 355B

Computational Geotechnics ..... 355C

Pavements ..... 355E

Shallow Foundations ..... 355F

##### 3:00 – 5:00 PM

Outreach and Engagement Committee ..... 355A

Energy Geotechnics Task Force ..... 355B

Risk Assessment and Management ..... 355C

Geoenvironmental Engineering ..... 355D

Earth Retaining Structures ..... 355E

Soil Properties and Modeling ..... 355F

#### Wednesday, March 11

---

##### 10:00 AM – 12:00 PM

Geosynthetics ..... 355B

Grouting ..... 355C

Unsaturated Soils ..... 355E

Innovative Technologies & Tools in Geotechnical Engineering (INNOC) ..... 355F

##### 1:00 PM – 3:00 PM

Local Involvement Committee (by invitation only) 355A

Student Leadership Council ..... 355B

Organizational Members Committee ..... 355D

Underground Engineering ..... 355E

Soil Improvement ..... 355F

##### 3:00 – 5:00 PM

Earthquake Engineering and Soil Dynamics .... 355B

Geophysical Engineering ..... 355C

Engineering Geology and Site Characterization .... 355E

Embankments, Dams and Slopes ..... 355F

##### 7:00 – 9:00 PM

International Activities Council ..... 355B

Younger Member Committee ..... 355C

#### Thursday, March 12

---

##### 10:00 AM – 12:00 PM

Geo-Challenge Committee ..... 355A
