

WHAT TO EXPECT AT CI STUDENT DAYS

YOUR 5 DAY CHALLENGE STARTS HERE

ITINERARY (DAY 0)

Your CI Student Days experience starts the moment you arrive. Check into your hotel, get settled, and meet fellow students who are ready to take on the challenge. Want to get a head start on networking? Join the optional Young Professionals meetup and make your first connections of the week.

 **Your mission:** Arrive, recharge, and get ready to bring your A-game.

ITINERARY (DAY 1)

It's officially game time. Fuel up at breakfast, break the ice with your team, and get the inside scoop on what's ahead. You'll meet industry pros, dive into the project challenge, and get a crash course in the skills you'll need to compete, including estimating and scheduling. Then, it's time to connect over food and kick off the week with a welcome reception.

The Kickoff

 **Your mission:** Meet your team, learn the game, and get ready to compete.

ITINERARY (DAY 2)

Rise and grind. Your team challenge is officially underway. Dive into a pre-bid meeting and more real-world construction knowledge from industry pros. Later, switch gears for professional speed networking, where you'll connect with Professionals and industry leaders. Then it's back to your team because the clock is ticking and there's an RFP to tackle.

The Grind

🎯 **Your mission:** Level up your skills, expand your network, and move your project forward.

MAKE CONNECTIONS

GET TO WORK

ITINERARY (DAY 3)

Time to get out of the conference room and into the field. Tour a real project site and see construction in action, up close and personal. Think hard hats, heavy equipment, and the kind of experience you can't get from a textbook. Then it's back to your team for the final stretch. Put your new skills to work, sharpen your proposal, and get presentation-ready.

🎯 **Your mission:** Get hands-on, think big, and make the final push.

THINK BIG

ITINERARY (DAY 4)

This is the moment you've been working toward. Grab breakfast, make those final edits, rally your team, and submit your bid. Then take the stage. It's time to present your project, show off what you've learned, and prove what your team can do. Once the presentations are done, celebrate your hard work and new connections.

🎯 **Your mission:** Own the room. Show what you know.

ITINERARY (DAY 5)

You made it. Start the morning with one last breakfast together, then celebrate the week at the awards ceremony. Whether you came for the challenge, the connections, the experience, or all three, you'll leave with new skills, new industry contacts, and a better idea of what your future in construction could look like. Then it's time to head home. After the ceremony, you'll travel back home with new connections, new skills, and a week of experiences to take with you.

The Victory Lap

 **Your mission:** Take a bow. You earned it.
