

*"In the modern world of marketing, we have a number of different vehicles to choose from when reaching out to our audience. While we are always up for trying new tactics, advertising in **GEOSTRATA** remains a constant in our marketing plan. We consider **GEOSTRATA** the premier publication of our industry and advertising with **GEOSTRATA** allows us to consistently keep our brand in front of our clients, partners, and decision makers."*

—Gretchen Connelly
Marketing Director
Nicholson Construction Company
